

COMPANY OVERVIEW

Pamela Transport LLC provides compliant, time-critical medical courier service across Mississippi, Alabama, and Georgia. We specialize in final-mile delivery of medical specimens, pharmaceuticals, life-saving equipment, and sensitive healthcare documents: supporting laboratories, hospitals, clinics, and pharmacies. Every transport is handled with disciplined procedures to protect integrity, confidentiality, and a clear chain of custody, with an emphasis on consistent on-time performance. As an independent courier, we offer responsive, direct service designed to reduce delays and handling risk for critical healthcare deliveries.

DIFFERENTIATORS

High-Accountability Independent Operator

As a single-owner independent courier, every contract receives direct executive oversight. Clients work directly with decision-makers, ensuring rapid issue resolution and consistent service quality.

Direct Point-to-Point Service

Unlike large carriers that route through hubs, we minimize handling points—reducing delays, risk of damage, and chain-of-custody exposure.

Specialized Healthcare Focus

We are structured specifically for medical logistics, not general parcel delivery. Our operational procedures prioritize compliance, safety, and confidentiality.

Flexible & Responsive Operations

- On-demand and after-hours availability
- Rapid scaling through a trusted subcontractor network
- Ability to support contracts exceeding \$150,000

Woman- and Minority-Owned Business

Provides agencies with diversity participation support while maintaining performance-driven service standards.
